

วิธีสืบค้น SDG keywords ผ่าน Scopus

สืบค้น SDG keywords ผ่าน Scopus

The screenshot shows the Scopus search page. At the top, there's a navigation bar with 'Institutional info', the Scopus logo, and links for 'Search', 'Sources', 'SciVal', and a user profile 'WS'. Below this is a 'Start exploring' section with the text 'Discover the most reliable, relevant, up-to-date research. All in one place.' and a notification box that says 'Get familiar with new topics using Scopus AI'. A horizontal menu contains 'Documents', 'Authors', 'Researcher Discovery', 'Organizations', and 'Scopus AI Beta'. The main search area has a dropdown menu set to 'Search within Article title, Abstract, Keywords' and a search box containing 'Search documents *'. Below the search box are links for '+ Add search field', '+ Add date range', and 'Advanced document search >', which is circled in blue. A red hand icon is pointing at this link. To the right is a blue 'Search' button. At the bottom left of the search area are 'Search History' and 'Saved Searches' links. A message at the bottom says 'Start searching and your history will appear here. If you need help to start searching, see our [search tips](#).' The Windows taskbar at the bottom shows the system tray with a temperature of 30°C, the time 20:14, and the date 14/12/2566.
